

School Charge & Contribution 2026/2027

Dear Parent(s)/Guardian(s),

Please find details below of the School Charge and Contribution for the 2026/2027 academic year. While the Department of Education provides core funding and supports the Schoolbooks Scheme, school contributions remain essential in helping the school provide additional resources, student supports, co-curricular activities, examinations, ICT provision and other day-to-day operational requirements. The School Charge and Contribution is payable on a per-student basis and can be paid online through Way2Pay. We appreciate that financial circumstances vary and, if you experience any difficulty in making this payment, we encourage you to contact the school in confidence so that a suitable payment arrangement can be discussed.

Thank you as always for your continued support of Scoil Chonglais.

Patrick Maguire – Principal
